

SPEECH-LANGUAGE PATHOLOGIST 1 Full Time Permanent Timmins, ON

The Preschool Speech & Language Program of the Porcupine Health Unit is the lead agency for the Cochrane District Preschool Speech-Language Service. With the main office situated in Timmins, services are provided across the region through district offices. Through a model of family-centered care, a wide range of services are offered to children 0-5 years of age, including screening, assessment, direct intervention (individual and group), mediated intervention, consultation, parent training and community education. For more information about the Porcupine Health Unit please visit our website at www.porcupinehu.on.ca.

Qualifications:

- Master's degree (or equivalent) and registration with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO).
- Excellent oral and written communication skills.
- Must have access to a vehicle and a valid Ontario Driver's license.
- Fluency in both official languages is required.

Consider joining our progressive, multi-disciplinary team of public health professionals committed to health promotion and health protection. We offer an excellent salary and benefits package. CASLPO mentorship is available. The successful candidate may be eligible for an incentive grant under the Northern Ontario Grant Assistance Program.
