

## Universal Influenza Immunization Program Order Form

PHU Use Only –  
Requisition No.:

By submitting this order, I verify on behalf of the practice the following:

- Refrigerators have maintained temperatures between +2°C to +8°C and temperatures are documented twice daily
- Accurate temperature logs will be provided upon request and are kept on site until our next annual cold chain inspection
- All temperature excursions outside of +2°C to +8°C (if applicable) have been reported to and recommendations regarding usage of the effected vaccines have been implemented by the practice
- A contingency plan is in place should a power outage and/or cold chain incident occur, including vaccine coolers and extra temperature monitoring devices
- Maintain no more than a one-month supply in your vaccine fridge at any time

\*\* NOTE: If you are unable to verify any of the above, call the Porcupine Health Unit branch nearest you and speak with your cold chain nurse. \*\*

Complete ALL fields to avoid a delay in processing your vaccine order.
